What is CNC Budgeting Service?

CNC Budgeting Service has been developed to meet the needs of community members in the Greater Caboolture area.

The aim is to build strength, resilience and provide opportunities and support ways such as:

- Helping you develop your skills in managing money
- Identify your aims and work with you to achieve them
- Implement strategies to keep track of your money
- Show you ways to shop and cook on a budget

Whether it be saving for a specific purpose, learning to live comfortably within your means, to reduce stress, or get your debts paid off, we can show you how to activate a plan to achieve the goals you are aiming for.

CNC Budgeting Service can help you in the following ways:

- Assisting you in getting control of your finances;
- Identifying strategies to minimize financial stress
- Help you identify ways to save money
- Working with you to set up systems to enable you to start saving
- Advocating with creditors regarding payment plans
- Providing information on other relevant support services in our community

*This is a professional, confidential service.
We promote respect, and support for those working through immediate and long term issues.*

The CNC Budgeting Service is available to all members of the community.
